UNIVERSITY SPOTLIGHT

NOVA University

We shine our spotlight on the diverse universities profiled by U-Multirank. This month: Universidade NOVA de Lisboa (NOVA University) in Lisbon, Portugal. Founded in 1973, NOVA University proves that young universities can develop strong research profiles. NOVA received ... [more](#).

IN THE NEWS

Community engagement | [Can it be measured?](#)

Most international league tables of universities look at one thing: research. But universities can be about so much more. There's teaching for starters. Many are also powerhouses of economic development and centres of regional growth and employment. Few manage to do all these things at the same time, and to ignore these measures of success is to... MEASURES THAT MATTER

International players | [Understanding international orientation of bachelor/master programmes](#)

The world is shrinking. Telecommunications and travel mean that graduates and academics might find themselves working anywhere from Toronto to Timbuktu. Similarly research funding and partnerships are increasing internationally. The global focus of universities – or what U-Multirank calls "international orientation" – is therefore a cutting edge issue for any institution that wants to... [more](#).

BEHIND-THE-SCENES

Introducing Folge 3 | [Web tool, tech and design](#)

Folge 3 are the tech wizards in the U-Multirank team. Since joining the consortium in 2013, they have been responsible for the innovative web tool.

The key to an easy-to-use interface is... [more](#).
