

IN THIS MONTH'S NEWSLETTER

In this newsletter | [A welcome from our project partners](#)

- [Why I made the choices I did, by project partner, Professor Robert Tijssen](#)
- [Top story: Specialised unis: how special are they?](#)
- [Spotlight: Durban University of Technology](#)
- [Spotlight: Telecom ParisTech](#)
- [In the news: Which students are the most internationally focused?](#)
- [Measures that matter: Understanding international joint publications](#)
- [Behind the scenes: Introducing Fundación CYD](#)

TOP STORY

[Specialised universities](#) | [How special are they?](#)

In a new and exclusive analysis of the strengths of higher education institutions that specialise in particular subject areas, U-Multirank reveals that... [more](#).

UNIVERSITY SPOTLIGHTS

Durban University of Technology

[Durban University of Technology](#) (DUT) is a multi-campus university of technology located in Durban and Pietermaritzburg, South Africa. DUT's distinctive aim is to spark innovation and build entrepreneurship by... [more](#).

Telecom ParisTech

Founded in 1878 as l'École Supérieure de Télégraphie, [Telecom ParisTech](#) is one of twelve founding members of ParisTech, an association of prestigious French higher education institutions recognised as Grandes Écoles – and this reputation is borne out by... [more](#).

IN THE NEWS

[Which students are the most internationally minded?](#)

A new exclusive U-Multirank analysis shows the extent to which students studying different subjects might benefit from the global perspective being taken by their institutions. It also shows a potential for international partnerships, opportunities and recruitment. According to the new findings... [more](#).

U-Multirank in the Media

[Challenging the old universities](#)

[U of T scores all 'A's in university research ranking](#)

[7 questions - and answers - to studying abroad \(German\)](#)

See our "Press" section for [more](#).

MEASURES THAT MATTER

[Understanding international joint publications](#)

In an increasingly globalised world, where graduate and academic careers flow around the world and where research funding is not limited by borders, many universities find it increasingly important to be... [more](#).

BEHIND THE SCENES

[Introducing FCYD | Foundation for Knowledge & Development](#)

U-Multirank is made possible by organisations with different interests and representing different parts of the world of higher education who have got together to share their expertise, their data and their aim of fairer approaches to university rankings. The Spanish-based Foundation for Knowledge & Development (Fundación Conocimiento y Desarrollo - FCYD) is... [more](#).

DON'T FORGET

[U-Multirank's Network of Institutional Coordinators:](#)

Our latest initiative, *U-Multirank's Network of Institutional Coordinators*, aims to maximise the enhancement of global higher education. The universities that actively participate have the most to gain as the new Network will provide universities with a suite of tools to optimise the benefits for their institutions. Click [here](#) to read more.

SEE YOU THERE
