UNIVERSITY SPOTLIGHTS

The Rockefeller University

We shine our spotlight on the diverse universities profiled on U-Multirank. This month: [The Rockefeller University](#) in New York, USA. Founded in 1901 by the millionaire philanthropist John D. Rockefeller, it was the nation's first institute for... [more](#).

**Reutlingen University of Applied Science**

Not all applied science institutions have their eyes on the global picture. [Reutlingen AUS](#) in southern Germany is an exception. On three of... [more](#).

IN THE NEWS

The Verdict Is In | What Universities Think of U-Multirank [U-Multirank in the Media](#)

Just a few months after U-Multirank's launch in March 2014, the EUA, the major grouping of universities across Europe, conducted an evaluation of its members' expectations and experiences of U-Multirank – and now, the results have been released. The research, published in February this year, found that 90% of institutions... [more](#).

MEASURES THAT MATTER

Understanding Co-publications with Industrial Partners

Co-publications with industrial partners is a good example of how U-Multirank measures [indicators](#) that can highlight the wider contribution that universities make to the world economy, to society and to the spreading of knowledge. This particular measure is a key indicator of... [more](#).

BEHIND-THE-SCENES

Introducing CHE | Centre for Higher Education in Germany

The Centre for Higher Education (CHE) is one of the core and [founding partners](#) of U-Multirank. It is a private not-for-profit organisation based in Guetersloh, Germany and operates as a think tank for higher education. It was founded in 1994 by... [more](#).
